

Large Format Giclee Printing (Epson)

1 Direct-to-Print

Prints are made without any image adjustment. Files are printed "as-is."

2 Custom

A Custom print order includes basic adjustments and up to two (2) free test prints.

3 Premiere Gallery

Premiere Gallery printing is a session billed hourly, including color adjustments and moderate retouching, up to five (5) free test prints and a strip test.

Photographic Paper Prices

Resin Coated inkjet papers that are similar to traditional photographic C-prints in appearance and texture. These papers include glossy, semi-matte, luster, and satin surfaces. These papers are great for all kinds of imagery and are extremely dynamic. They look beautiful whether framed, mounted or in a portfolio. Photographic Papers with Resin Coating are also able to be face mounted to Plexi-glass, which can be a wonderful option for gallery or home displays.

Additional identical prints on the same order are offered at a 25% discount.

Fine Art Paper Prices

Matte watercolor papers. Fine Art Papers have a wide variety of surface textures, white points, and thickness. These papers can be a great option for a gallery show or a gift print. They are also an extremely popular solution for a high end portfolio. These papers cannot be face mounted but they are beautiful when back mounted or framed.
